ORDER

Comes now the Special Judge in these causes and pursuant to I.C. 34-58-1-1 conducts a review of these complaints filed by an offender within the Indiana Department of Correction. As a result of the review, the Court finds that these causes are frivolous in that they are made to harass the Indiana Department of Correction and its employees and they lack an arguable basis in law and fact. Pursuant to I.C. 34-58-1-2, these complaints are ordered dismissed.

ORDERED THIS 14 DAY OF SEPTEMBER, 2004.
